Adult Diaries 2011 Screensaver, free adult games, adult photo, adult game for girls and boys. New version of adult diary. New girls and boys. New horny animal will make you. View Profile The time for another update in my game is near. The other day, I added a new mod and two new characters for the game. The update are few so far but I will update more in the future, an perhap next week. After I have done some work I will release the file under a new game name. I started my thinkin as from a fantasy-setting a game based on a fictional fantasy city in Denmark. I designed the city to look like the old town of Copenhagen.

As this game will have several updates, I have chosen to use a name that I have created for the game. As no one was able to guess what it is about, I have registered the domain. Now you can visit my game page and maybe you can help me find the right name? I won't call it Copenhagen though, since the game is set in Denmark. I want a Scandinavian name, like Gondhald or Svinesund in Norway or Sweden.

About the city design I have tried to make the city something like an old village, being surrounded by water and green forests. I thought about using forest color in the city. I will start to work on the music after I have found a good name for my city, I would like to make an original music. Also I am planing to have more characters then just the two new ones.
