
Eu4 Extended Timeline !LINK! Download No Steam

"If you're feeling limited by the 400-year-old scope of Europa Universalis IV, then check out the Extended Timeline mod. . DLC is not required. If you're already playing in Europa Universalis IV or are the owner of the Steam version, then you should be aware of the possibility of enabling the Extended Timeline mode. There are two ways to do this: Go to the Settings menu and select Extended Timeline in the System section. After that, you will be able to choose which type of timeline you want to enable. Select the Time Stamp option and it will appear in the game settings menu.
