at the front door, janitors for cleaning, a business manager for handling payroll and invoices-not to mention the economy. 12. Chapter 1 | Welcome to the economy! When the economy is just starting to grow, many people think the economy is about money. It's not. The economy is about life. It starts when you get out of your parents' house and want to get a degree. It starts when you get out of your parents' house and want to get a job. It starts when you get out of your parents' house and want to buy a car loan. It starts when you leave your parent's house and want to buy a TV on credit.
