The original Serious Sam is a high-adrenaline arcade-action shooter heavily focused on frantic arcade-style action. In a world where cyberpunk meets fantasy-fiction and advanced technology is mixed with black magic and psycho-powers, Sam travels through the beautiful world of ancient Egypt and several diverse planets, confronting countless minions on his way to the Mental's base. [NOTE: Indie Royale's Serious Sam Lightning pack also includes The Second Encounter. Both versions are the original releases, rather than the HD remakes.] Serious Sam: The Second Encounter, the highly anticipated arcade action FPS sequel to the Serious Sam: The First Encounter, is a high-adrenaline arcade-action shooter heavily focused on frantic arcade-style single player action. Serious Sam The Second Encounter is a HD remastered new version of the original Serious Sam The First Encounter by Croteam, 2011-2011. Just as a result of doing a remake, Croteam "went for a high degree of graphical precision". The company laid a lot of effort into improving the game's graphical features and refining the gameplay of this no-CD gem. The new Serious Sam is noted for its attention to the details, the fast gameplay and especially its perfectly tuned chaos.
