If you like games like this then you will really like Hanging..There are more ways to be rescued today than ever before. Sure, it's great to think we'd do anything to be rescued, but let's face it, there are a lot of people who think they're on their own, that no one can or will come to their rescue. So when it happens, let's admit it, we get excited, relieved, and happy. But let's also not let it go to our heads and get more needy than we normally would. And let's not let it go to our heads and assume that we're more important than we really are. Because even though sometimes we can do it for ourselves, we're also supposed to do it for others too. Because it's important for us to help each other. So today, let's make sure we recognize what we have and what we're really
